**Monon Town and Township Public Library Board of Trustees Meeting  
Monday, October 10, 2022, 4PM**

**Present:** Austin Stroud, Michele Buswell, Clark Raver, Julie Hart, Lexi Reagan (arrived at 4:11), Jennifer Annis (arrived at 4:07), Desi Kyle, Rosemary Cooley

**Absent:** None

**Call to Order:** Called to order by Clark Raver at 4PM.

**Minutes** - Julie Hart made a motion to approve the September 12 meeting minutes and Desi Kyle seconded. All were in favor, and the motion passed.

**Finances/Treasurer's Report** - Michele Buswell made the motion to accept the financial reports and sign the claim register. Rosemary Cooley seconded the motion. All were in favor. The motion passed.

**Librarian's report** - We only were billed \$10 for the tech recycling. You'll see a certificate of destruction from the company after this report for your reference.

The rest of the carpeting was finished this past week.

More work has been completed on the front entrance and the side of the building. It looks a lot better. Austin reached out to Harry Mohler for an update on where things stand – things are apparently finished!

Julie Hart gathered some information on storage shed pricing from a place in West Lafayette, so Austin passed along that information. He talked to the teacher at school, and he said one of the classes would be able to help but he still hasn't met with Austin. Austin offered to come there to the school if it was easier, so we may just buy something. It would be nice to have it soon, but Austin suggests trying to hold on until near the end of the year to see where we are on our spending. If we have enough left over to get it on the 2022 budget, we should aim to do that. Rosemary Cooley made a motion to go ahead with the 8x12 bargain barn once we are sure we have the money to cover it, and was seconded by Jennifer Annis. All present were in favor, and the motion passed. Julie Hart will ask about the cost to add the ramp and color choices.

The insurance company says we should have 2023 health insurance rates in the next week or two, so Austin expects to have those numbers for the November 14 board meeting.

Austin shared some fraud protection information from Alliance Bank. It is at a cost of \$15/month. We keep good tabs on our accounts, so Austin does not think this is necessary.

Austin shared a tentative quote for a service called LibraryIQ <https://www.libraryiq.com/>. It would give us more insights into decisions on what we purchase, and help us manage our collection better. It's under the threshold to require board approval, but Austin included an estimated price document. A decision won't be made on this until later.

Michele Buswell goes off the board at the end of December 2022. We need to replace her as an additional signer of checks. Austin will call the bank before the November meeting to confirm who has the ability to sign so we know if we need to add or remove anyone besides Michele Buswell.

Michelle Buswell mentioned that the library board may be required to appoint someone to the Monon Park Board. She will find out more details so we can address at the November meeting.

#### **Personnel Report -**

Austin shared that we're having some staffing challenges. We could use another adult person, especially someone that can work most Fridays and Saturdays. Those seem to be when we're the most short. He will post a job ad that we have used in the past. The board also acknowledged that if someone is sick or an emergency happens, with minimal staffing, we may need to close or reduce hours on certain days to work around it as needed.

#### **Old Business -**

The board signed the resolution to adopt and approve the 2023 budget. Julie Hart made a motion to accept the 2023 budget, and Rosemary Cooley seconded. All present were in favor and signed with 'aye.' No one opposed, and the budget was adopted.

#### **New Business - None.**

Julie Hart made a motion to adjourn the meeting at 5PM and Lexi Reagan seconded. All present were in favor, and the motion passed. The next meeting: Monday, November 14, at 4PM.

**Special Monon Town and Township Public Library Board of Trustees Meeting  
Monday, October 17, 2022, 4PM**

**Present:** Austin Stroud, Michele Buswell, Clark Raver, Julie Hart, Rosemary Cooley

**Absent:** Jennifer Annis, Desi Kyle, Lexi Reagan

**Call to Order:** Called to order by Clark Raver at 4:08PM.

**New Business** - Austin shared an update to the personnel manual so that the library is covered for future COVID or similar pandemic related illnesses.

COVID quarantining

Staff who test positive for COVID, or similar pandemic illness, may take off up to the current CDC recommended quarantine time. The library will pay for the first quarantine time for each staff member with proof of a positive test administered by a medical professional upon return to work. After the first time, staff must use leave time such as sick days or vacation time. Unpaid leave may be taken with director approval. Contact with a COVID positive person is not sufficient for approved time off, but wearing a mask is recommended. Julie Hart made a motion to approve the changes Austin suggested, and Rosemary Cooley seconded. All present were in favor, and the motion passed.

Michele Buswell made a motion to adjourn the meeting at 4:45PM and Julie Hart seconded. All present were in favor, and the motion passed. The next meeting: Monday, November 14, at 4PM.

### **Librarian's Report – November 14, 2022**

Harry Mohler came and looked at the front entrance that might need some more work. He also is going to talk to the automatic door company since we have some electrical issues going on with those.

The shed has been ordered, and should be coming in about 10 weeks (so likely by mid-January). Thank you to Julie Hart for all of her work on getting this project completed! Austin would like to get a motion on the record to use LIRF money to pay for this shed.

You will see the 2023 health insurance information included. Austin recommends that we go with the recommended plan. Our representative will talk about that before the meeting ends.

Austin asked if the board had a name in mind to recommend for appointment to the library board in Michele Buswell's place before the new year. We will need to get this appointment on the appointing authority's December board meeting agenda. We also may need to make an appointment to the park board.

Austin would like permission to close the library from noon-2pm on Thursday, December 15 for a staff holiday party as well as to use gift fund money to pay for the lunch.

From Barbara:

The Pre-School Story Times and after-school Library Club have been well attended. The children have been consistent in their attendance and the ages for the after-school program range from Kindergarten through 5th grade. We will have provided 7 weeks of these programs before breaking for the Thanksgiving and Christmas holidays. The programs will resume in January. We are also considering starting up the Youth Advisory Group after the first of the year. This group will be for 5th graders and older students and would meet once a month.

# Delivery Information

Thank you for purchasing a Raber storage building. Our goal is to make the delivery and installation process as easy as possible for you while ensuring your building is level and solid.

## Site Prep:

- The delivery site should be relatively level.
- The delivery site should be free from obstruction.
- **A minimum of 2' feet wider than the purchased building is required in order to complete installation. Including the 4' overhang on horse barns. Example 12' wide horse with overhang would be 16' wide.**
- On buildings 12x24 or larger, we recommend installing a level gravel pad prior to delivery.
- Gravel pad instructions are available upon request.

## Costs:

- Standard delivery and installation are free of charge.
- Additional charges may apply for the following reasons:

1) Blocks may be needed to ensure your building is level:

2" blocks	\$2.00
4" blocks	\$3.00
8" blocks	\$3.00

2) If we set the building, and you decide you do not like where or how it is placed, a charge will be applied for returning the building to our property (rate will depend on hours worked and total mileage incurred).

3) If your site requires over two 8" blocks high on one side, a charge of \$50 per hour will be applied for labor costs.

4) If it is necessary to cut tree limbs, move equipment, etc., a charge of \$75 per hour will be applied for labor costs.

5) If your delivery address is over 50 miles from the closest Raber location, a mileage fee will be applied (details can be found on your invoice).

Thank you again for your business and we hope you enjoy your new storage building.

### Why connected care matters

Preventable chronic conditions, like diabetes and high blood pressure, are the leading drivers of insurance premiums, medical claims, and other employer healthcare costs, including more than \$36.4 billion lost annually because of absenteeism.<sup>3</sup>

- Regular dental and eye exams can help doctors find early signs of chronic health conditions.<sup>4,5</sup>
- In 2020, enhanced dental benefits helped lower members' total medical costs by \$8,280.<sup>6</sup>
- In 2021, vision claims helped identify 32,213 members with diabetes.<sup>7</sup>
